ORDER:

Learned counsel for the respondents has fairly conceded that the issue that arises for consideration in this writ petition is squarely covered by the judgment of this Court rendered in W.P.No.21243 of 2001 and batch, dated 04th September 2006. In view of the above, this writ petition is also liable to be allowed in terms of the above judgment.

Accordingly, the writ petition is allowed. The impugned demand notice is set aside. However, this will not preclude the authorities from collecting market fee as soon as the resolution is passed and the same is approved by the Director of Markets as

per law.
